Power Bi Service Assignment

1.Publish the following.

**Publish the contoso File Dashboard on Power BI service.**

Link: https://drive.google.com/file/d/1_zUcK-BgD_hNhfLvVIIcoLv4pYhk3Ldi/view?usp=share_link

❖ **Step 1: Open the Contoso File in Power BI Desktop**
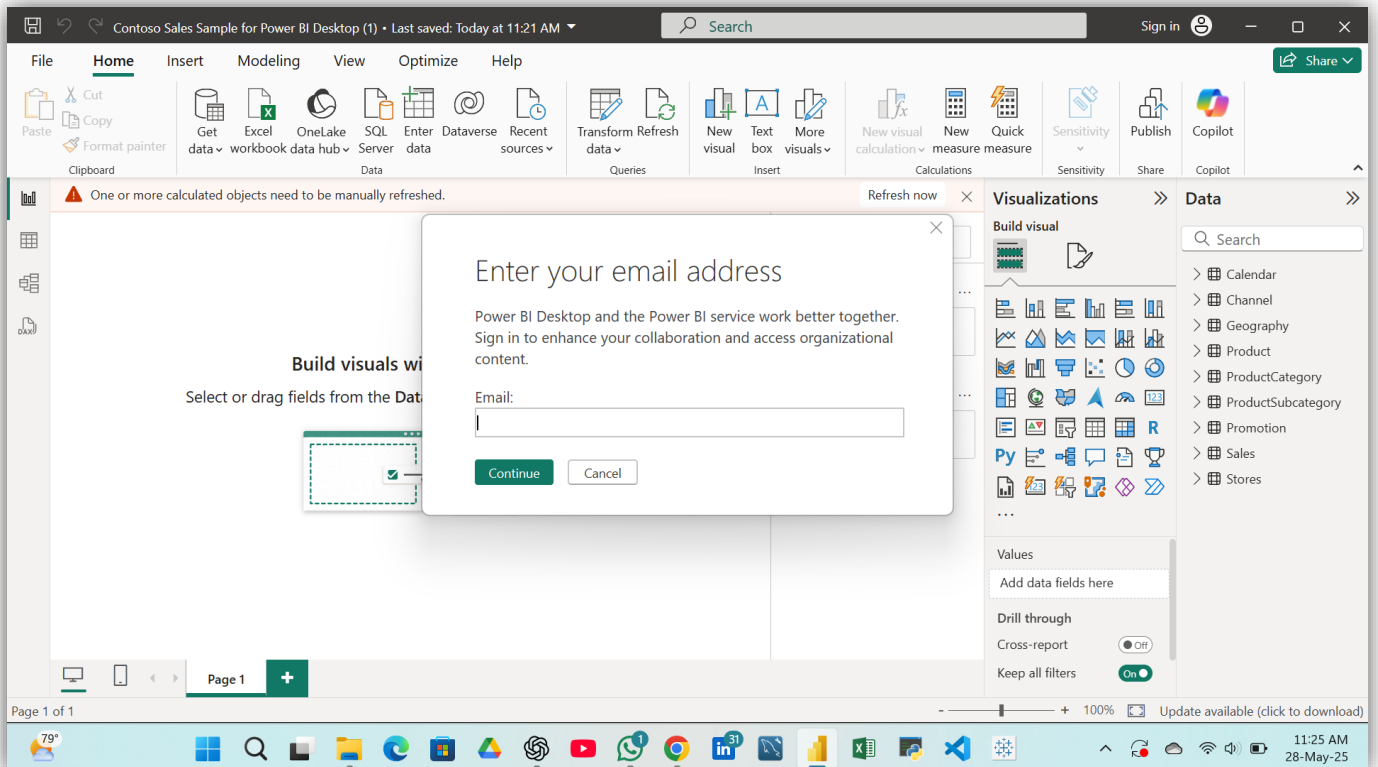

1. Launch **Power BI Desktop**.
2. Open your file:
   `File > Open > Contoso.pbix`

Step 2: Sign in to Power BI

1. In Power BI Desktop, click **Sign in** (top-right).
2. Use your **Power BI (work or school) account**.

Step 3: Publish to Power BI Service

1. Click on the **Home tab** → click **Publish**.
2. Select **"My Workspace"** or any other **Workspace** you have access to.
3. Wait for the publishing to complete.
4. You'll see a confirmation message with a **"Link to open in Power BI"**.
